

*Wayne and Nancy Bentz are the stewards
of the biblical counseling and prayer ministry practice
the Lord has entrusted to them.*

Founded in 2004 after Wayne's retirement from Kaiser Aluminum with 28 years of service, Wayne began the practice as *Shammah Ministries*. In 2008 *Shammahs Field LLC* was formed. Twelve years later he continues fulltime counseling with an accumulated 17 years' experience.

In January 2012 after her 23-year career of executive assisting, Nancy joined Wayne in *Shammah Ministries*. Today their business has expanded its ministry reach with the addition of Nancy's writing, life coaching, life maps facilitation, spiritual growth classes and retreats.

They share a heart to see others come into healing, wholeness and fruitfulness to experience life in greater fullness. As a couple they periodically offer equipping, training and gatherings through *Shammah Ministries*.

*Shammahs's brief but powerful story is found in
II Samuel 23:11b*

Desires & Longings
- *God's gift of becoming*

Women's Retreat ▪ May 5-7, 2017

"The place God calls you to is the place where your deep gladness and the world's deep hunger meet." - Frederick Buechner

As a child did you ever ask yourself
"what do I want to be when I grow up?"
Today, the more compelling question is
"who am I becoming?"

The *Desires & Longings* retreat is designed to help you explore answers—yours and God's—to that important and significant question.

Desires and Longings.

The mere words evoke an emotional response, with good reason.

Desires demand attention because, knowingly or not, they drive our choices. *Longings* are designed to and can only be fully satisfied by and with God.

Both point back to Him, Creator and lover of our souls.

God has never lost the vision of why He created you.

Desires and Longings are for each of us
God's gift of becoming whom He has known all along.
Our heavenly Father loves His girls—of all ages,
and beckons us on to living life forward.
All are welcome, 19-99 ♥ I hope you'll join us.

**Delayed hope makes the heart ill,
But fulfilled longing is a tree of life.**
