

Dear Friend,

The heart is a deep well, the depth of which is really known only by God who formed us and breathes His life into us.

Solomon, in Proverbs 4:23, penned a brief but profound statement ...

“Above all else, guard your heart, for it is the wellspring of life.”

“Wreck Room Renovations” is not just a class—it’s an exploration into this wellspring of life. Think of it as a ‘workshop of the Holy Spirit.’

A workshop where God delights in something old being made new again. Where the fragrance of His anointing oil and woodchips permeates the air as something captured in His mind’s eye is brought to life. A bench where spiritual tools are wielded in the hands of this Master Craftsman.

He longs after us with an everlasting love. He stands at the door of our heart and knocks. The choice is ours to invite Him in and surrender ourselves to His blueprint for this internal renovation.

He promises to give us an undivided heart and put a new spirit within us; to remove our heart of stone and give us a heart of flesh. (Ezekiel 11:19)

He is waiting for us in the workshop.

Who hasn't stood...

in a room at some time or another and noticed the undeniable need for an overhaul? For many of us, that room is our own heart—shabby, worn, filled with clutter, or simply hardened from

living life. A heart in need of healing and the restorative work of the *Room Renovator*.

Wreck Room Renovations is a unique study derived from “*Etchings*,” the original writings of

Nancy Bentz. Parts I & II pair humor with a compelling look at principles and truths of Scripture. When applied to your life through His enabling grace, God’s truth moves from just head knowledge into transforming a willing and obedient heart. Seeking to create a safe environment that invites the Holy Spirit to make Himself at home, Nancy offers the opportunity to actively learn, grow, and ‘soak’ in personal ministry through...

- equipping with a biblically-based prayer model
- blessing of your human spirit
- participation in group sharing
